Dear Livestock and Seed Programs:	
Please do NOT permit irradiated food to be served in the National School Lunch Program. Irradia	hate
food has not been proven safe to eat. It degrades the nutritional content of food, and research ha	IS
revealed a wide range of health problems in laboratory animals that are irradiated food. In addition	ı, it
merely masks filthy and inhumane meat processing. Parents deserve the right-to-know what their children are eating, but irradiated food served in school cafeterias is not required to be labeled.	Ī
I strongly urge you to keep irradiated food out of school lunches.
